

The transition to web-based enrollment and Call notification significantly lessens our environmental footprint.

During its 26 years of supporting growth initiatives in the JPD, Chalice Lighters have funded grants to more than 50 societies totaling over \$2.25 million.

Chalice Keepers, the JPD endowment fund, works with Chalice Lighters to provide a permanent financial resource for growth.

Congregations are encouraged to recruit a **“Chalice Lighter Ambassador”** to organize a Chalice Lighter Sunday every year.

Unitarian Universalist Fellowship of Centre County, PA reports a **record 60% membership in Chalice Lighters** and is a leader in helping to grow Unitarian Universalism in our District.

“Our successful Joseph Priestley District Chalice Lighters program is a way for individuals, like you, each contributing a small amount to the whole effort, to make a significant investment in spreading the concepts of our free religion.”

Sally and Del Tweedie

Chalice Lighters is a program of the Joseph Priestley District, serving Unitarian Universalist congregations in southern New Jersey, eastern and central Pennsylvania, Delaware, Maryland, District of Columbia and northern Virginia.

Add your spark to our flame

“Growth is vital to the Unitarian Universalist movement and Chalice Lighters fund expansion in our region. I urge those who are not Chalice Lighters to sign up. The few dollars required from each of us go a long way toward spreading our faith and making a difference in the world.

*Karel Toll

You are invited to make a small contribution to make a big difference in the reach of our faith.

What is a JPD Chalice Lighter?

A Chalice Lighter pledges to respond with a contribution when the request, or Call, is received. The Call announces that it is time for you to “add your spark to our flame” somewhere in our District.

How often will I receive a Call?

The Call will come three times each year, in the fall, winter and spring.

What are some of the projects funded by Chalice Lighter grants?

Grant requests are often for professional staff, acquisition of land or buildings, congregational organizing and innovative growth efforts. Your money responds to the needs of dynamic congregations.

How can my small donation result in significant growth?

Although your individual contribution may be only \$20 per Call, when thousands contribute the total is significant. Since 1987, JPD Chalice Lighters has awarded over \$2.25 million in grants. Of course, larger pledges are welcome and appreciated.

How much of my contribution actually goes to fund the grant requests?

The answer is simple: **100%** of your donation goes directly to the congregations to fund their expansion needs.
