

2018 SI Childrens' Forms For Temporary SI Guardians

There are two pages to this form. The second page requires a notary.

Assuring the safety of our children (defined as being under the age of eligibility for the youth program) is a priority for us all. In order to address this need the SIPC has instituted the following policy:

Proper supervision is at the heart of keeping children safe. When children are not under the supervision of the Children's Morning Program or other SI program which provides supervision of children, parents/guardians are responsible for supervising their children. This includes all other times at SI including meals and intergenerational activities. Ultimately, each child's health, well being, safety, and good behavior are the responsibility of his or her parent or guardian at SI. To assist with this task, children will be issued identification bracelets at registration which will include the child's name, parent/guardian name, congregation and contact information.

Members of the SI community who find a young child who is lost should immediately try to contact the child's parent/guardian or a member of the SIPC. Children who are found unsupervised and/or violating SI or Oberlin College rules should be reported, as soon as possible, to a member of the SIPC.

Children who repeatedly violate the rules may be required to remain with a parent/guardian at all times for the remainder of SI. If the situation continues to be unsafe for the child or detrimental to others, and despite the best efforts of everyone to resolve the situation, the ultimate consequence will result in the disruptive person being requested to leave SI.

By Signing this form, I understand that:

- When my child is not in an SI program that provides adult supervision, I or the temporary SI guardian is responsible for my child's health, well being, safety and good behavior at SI
- That if my child fails to follow SI or Oberlin College rules, he/she may have to remain with me or the temporary SI guardian during the remainder of SI and that continued failure to follow rules may result in him/her being asked to leave SI.
- That I am responsible for any property damage that my child may cause.
