

SPONSOR AGREEMENT with non-PARENT as SPONSOR

PRINT YOUTH NAME HERE: _____ Family Name::

There are two pages to this form. The second page requires a notary.

I understand that Summer Institute is not a youth conference. The CERSI Youth Panel does not provide adult supervision for youth during CERSI except daily Youth Programming (M-F 9:45 AM-12:30); daily touch group meetings from 5:00-5:45 pm; and optional programming each night until the activity ends. Additionally, CERSI Youth Panel provides optional supervised late night hangout space for senior high school youth 12am-2am (except Wednesday). Youth not staying in the dorm with the hangout space can be escorted home or picked up by their sponsor at anytime.

Youth sponsors are responsible for providing adult supervision of the youth at all other times, including breakfast. Each youth’s health, well-being, safety and good behavior are the responsibility of their sponsor. I will work out a system of communication with my youth so that I can fulfill my supervision responsibilities.

I understand that if the youth I am sponsoring is housed on the youth focused dorm floor, I will be housed in the same dorm and will be responsible for the supervision of this youth including deciding which of the other youth my youth may be behind closed doors with.

I understand that if I am housed on the youth focused dorm floor, the Central East Region will perform a background check on me. I understand that as a sponsor I will be expected to assist in supervising the youth at the “late nighter” and in the 12am-2am lounge and that the background check is also necessary for these duties.

_____ (sponsor name), is registered for the 2024 CER Summer Institute in California,

- The sponsor is sponsoring no more than a total of two youth who are not their own children at CERSI 2024 and will be responsible for no more than a total of four youth and/or minors including the sponsor’s own children.
- We understand that youth and sponsor are required to be housed in the same dorm at CERSI even if the youth is staying on the youth focused dorm floor.
- We understand the sponsor has the responsibility to supervise the youth even on the youth focused dorm floor, including giving or withholding permission to spend time in other youth’s rooms behind closed doors.
- We understand that any medication the youth does not have permission to have in their room is to be held by the sponsor.
- We understand the CERSI Youth Program is not a youth conference and the sponsor is responsible for the youth’s supervision.
- If the youth leaves the CAL U campus, the sponsor has sole responsibility for supervision.
- The sponsor will attend a required meeting as part of orientation.
- We have read and understand the CERSI Youth Contract and have discussed expected behavior at CERSI and consequences for the youth’s actions.
- We will work out a system of communication between youth and sponsor during CERSI that is mutually satisfying to the youth, sponsor and parent(s)/guardian(s).
- We understand that if the youth is asked to leave CERSI due to a rule violation that the sponsor will arrange for the youth’s safe travel home at the youth/parent(s)’ expense.
- We understand that the CERSI Youth Panel recommends that any Junior Higher permitted off campus by their sponsor be accompanied by said sponsor.
