There are two pages to this form. The second page requires a notary.

I understand that Summer Institute is not a youth conference. CERSI does not provide adult supervision for youth except during Youth Programming, including mandatory morning programming (M-F 9:45 AM-12:30 PM), daily touch-base group meetings from 5:00-5:45 PM, afternoon youth work-shifts, and optional evening programming. With sponsor permission, official evening and late-night youth programming is the only place that youth are allowed to be after curfew, other than their assigned dorm rooms.

Youth sponsors are responsible for providing adult supervision of the youth at all other times, including breakfast. Each youth's health, well-being, safety and good behavior are the responsibility of their sponsor. I will work out a system of communication with my youth so that I can fulfill my supervision responsibilities.

I understand that if the youth I am sponsoring is housed on the youth focused dorm floor, I will be housed in the same dorm.

I understand that if I am housed on the youth focused dorm floor, the Central East Region will perform a background check on me. I understand that as a sponsor I will be expected to assist in supervising the youth at the "late nighter" and that the background check is also necessary for these duties.

_____ (sponsor name), is registered for the 2025 CER Summer Institute in California,

PA and will sponsor _____ (youth name).

We, the undersigned, confirm that:

- All CERSI youth program participants, including those age 18+, must have a sponsor.
- If the sponsor is not the youth's parent or guardian, we must fill out this CERSI Youth Guardianship form and sign in the presence of a notary.
- The sponsor is 25 years old or older.
- The sponsor is given full responsibility for the health and well-being of the sponsored youth, and furthermore will act as the legal guardian of youth under age 18 during CERSI.
- The sponsor is sponsoring no more than a total of five youth at CERSI 2025, regardless of if they are their own children or not.
- We understand that youth and sponsors are required to be housed in the same dorm at CERSI, even if the youth is staying on the youth focused dorm floor.
- We understand that any medication the youth does not have permission to have in their room is to be held by the sponsor.
- We understand that the CERSI Youth Program is not a youth conference, and the sponsor is responsible for the youth's supervision at all times, aside from official youth programming.
- If the youth leaves campus, the sponsor has sole responsibility for supervision. Youth may not drive other youth.
- We understand that the CERSI recommends that any Junior High youth (all those who have completed 6th grade, but have yet to complete 9th grade) be accompanied by their sponsor if permitted off campus.
- We have read and understand the CERSI Youth Contract and have discussed expected behavior at CERSI and consequences for the youth's actions.
- We understand that if the youth is asked to leave CERSI due to a rule violation that the sponsor will arrange for the youth's safe travel home at the youth/parent(s)' expense.
- The sponsor will attend a required meeting as part of orientation.
- We will work out a system of communication between the youth and their sponsor during CERSI that is mutually satisfying to the youth, sponsor, and parent(s)/guardian(s).
